Ataraxia Pest Solutions proudly offers its second year of services to the Regency. Over the past year we have been afforded the opportunity to serve over 10,000 customers in the Northern Virginia and Maryland area; and still retain a perfect 5-star customer satisfaction rating on Facebook, Yelp, Google, and more.

We are a family owned and operated business in Haymarket, Virginia. We are located only 10 minutes from the Regency. This provides us with the unique opportunity to provide affordable and rapid services to every home owner within the Regency. Our company provides Insulation, Pest Control, and Wildlife Management services. Like we always say 'from crickets to coyotes' we've got you covered. In addition to our proximity to the Regency we also offer a significantly discounted service to this community. Our prices and discounts are as follows:

Monthly Pest Control (With Rodent Control):

Initial Service \$199.99 (was \$299.99)

Monthly \$30.00 (was \$45.00)

Bi-Monthly Pest Control (With Rodent Control):

Initial Service \$199.99 (was \$299.99)

Bi-Monthly \$70.00 (was \$85.00)

Quarterly Pest Control (With Rodent Control):

Initial Service \$199.99 (was \$299.99)

Quarterly \$80.00 (was \$95.00)

This agreement is effective immediately as of January 8, 2019.
