Hello. My name is Sean Greene and I also live in Dominion Valley. I am a Professional Firefighter with over 28 years of experience. I also have a Pressure Washing company. I have washed numerous houses in Dominion valley and the surrounding communities. If you would like to work with me, I will do my best to clean any mold, algae, fungi and bacteria off of your house and hopefully make it look new again.

Generally, these are the price that it would cost the residents within the Regency Community:

Single Family Homes	295-395
End Unit Townhomes	200-225
Middle Townhomes	165-185
Front Walkway	50-75
Rear Patios	100-150
Rear Decks	100-150

These are estimates and could change depending on each situation.

Whatever the total cost, I will deduct 10% from the price.
