We are a Professional Handyman Service that specializes in small home repairs and Improvements that take anywhere from one hour to two days. We are focused on helping you maintain your home, completing your "TO DO" List and increasing the comfort, value and beauty of your home. We have a Class A Contractor's License and we are fully insured. We use our own employees who all have been background checked. Each employee also has a minimum of 10 years' experience in our industry. We are prompt, precise and our labor has a One-Year Guarantee.

House Doctors is also now performing larger jobs such as Bathroom remodeling. We also offer Professional and Certified Design Services for your entire home. Please give us a call and let us partner on your home improvement needs! Thanks!!

Class A Builder License # 2705154241

Proof of Insurance is attached to the email.

Our advertised rates are \$99 per labor hour and a \$60 trip charge per day.

Our Regency discount would be 5% off of the hourly rate.

All material provided by House Doctors comes at a standard mark up.

Effective Date: May 8th, 2017
