**Nutrition CPR LLC**, owner and founder, Jaime Coffey Martinez MS, RD, PN1 is a Registered Dietitian with over sixteen years of experience in the fields of medical nutrition therapy, weight loss, functional medicine, corporate wellness and fitness, private nutrition coaching, and pharmaceuticals. At Nutrition CPR, an individualized and personalized program is created for every client with the same underlying theme...**Eat for Your Health!**

Helping clients make lifestyle changes that support health and longevity is the goal of Nutrition CPR. Both personal and corporate or group nutrition programs are designed to educate clients on healthy nutrition through real food. Nutrition CPR's programs focus on obtainable and sustainable weight loss programs as well as wellness education.
