About Us

Artie and Sami, the Owners of SonLight Window Coverings, your window treatment specialists, will help you to create your dream home environment with a full line of Custom Window Fashions. We'll help you select the best fitting and most beautiful window treatments — **including home automation/motorized products**, including:

- The Full line of **Hunter Douglas**, including the **Alustra® Collection**
- **Home Automation/Motorized** Window Treatments
- **Custom** Blinds / Shades / Plantation Shutters
- **Custom** Roman Shades, Draperies, Valances and Fabric Covered Cornices
- **Outdoor** Patio Shades

SonLight Window Coverings is also able to guide you in projects requiring window film installation, interior design needs (choosing paint colors, remodeling, and more), custom painting (interior and/or exterior), and contract renovation work (remodeling bathrooms, etc.).

We've provided distinctive services throughout the northern Virginia and DC Metropolitan region for the last 30 years, all with a stylish design, all provided with a local flair since we're independently owned and operated.

Buy Local and Support Your Community

From the moment you contact us, you will see why shopping local just makes sense when it comes to buying custom-made window fashions and other interior design solutions:

- We provide you with personal attention and the best possible service, including convenient in-home visits and professional installation.
- We offer high-quality products that are built to last.
- Our product and service offerings are selected with the needs and tastes of the local community in mind.
- We are professionally trained to find the perfect solution for your home, and can accurately answer any questions you may have.
