I offer private training at the client's location, Dog Park or other venue. I work with pet parents to understand why dogs do what they do. I will personalize the dog's training plan to achieve goals such as good manners or tricks as well as behavioral concerns.

I only use force free reward based training methods. I am available on the phone, by emails and texts to all of my clients. I welcome discussions on any topics studied or questions about new behaviors during the dogs training sessions as well as for the lifetime of your dog, well beyond the end of training with me.

I am offering a 10% discount to residents.

Advertised regular prices are:

Evaluation and Orientation 60 minutes \$ 85.00, Private sessions \$85 per class session, 3 session course @\$255, 6 session course @\$470
Board and training option is \$100 per day with a 6 day minimum.

My offer is from January 19 2019 through January 19 2020
