Reddick and Sons Inc. is a family-owned and operated business based in Prince William County, serving all of Northern Virginia. As a Class-A contractor, we provide all plumbing, electrical, HVAC, and gas fitting services for residential and commercial buildings. We are a small company, hiring only top talent for our field and office staff. Reddick and Sons can handle simple repairs to larger, complicated projects that are guaranteed to be up to industry standards. We have Master Plumbers, Master Electricians, and Master HVAC techs on staff.

Here is a list of common services we provide:

PLUMBING	ELECTRICAL	HVAC
Water heaters	Panels and circuits	Furnace and heat pump repair and replacement
Tankless water heaters	Outlets and switches	AC repair and replacement
Burst pipe repair	Electrical Inspections	Air Handler services
Gas line services	Outdoor lighting	Evaporator coil services
Drain cleaning	Ceiling fans	HVAC installations
Sewer line services	Pool, Jacuzzis and hot tubs	Duct repair
Repair and install fixtures	Ventilation fans	Thermostat replacement
Clogged toilet repair	Attic fans	
Sump pump services	Whole-home surge protection	
Water softener services	Fire & Smoke alarms	
Garbage disposals	Indoor lighting	
	Back-up Generators	
	Electric Vehicle Charger	

Discounts for Regency Cooperative Members:

- 10% off ALL REPAIR SERVICES

Regency Cooperative members will be given a discount of 10% off ALL REPAIR SERVICES (this does not apply to installations). Since every repair and installation varies, we can quote prices only after seeing the scope of work. Our dispatch fee to send a technician to diagnose an issue is \$69.

Discounts are effective upon acceptance as a vendor for the Regency Cooperative Association.
